

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF GEORGIA
ATLANTA DIVISION**

UNITED STATES OF AMERICA

v.

JACK FISHER,

Defendant.

CRIMINAL ACTION FILE

NO. 1:21-cr-231-TCB

O R D E R

Following Defendant Jack Fisher's objections [994], the Court conducted a *de novo* review of all objected to portions of Magistrate Judge Catherine M. Salinas's non-final report & recommendation (R&R) [990]. For the reasons stated in the R&R and in the Government's response [1002] to Fisher's objections, the Court finds that Magistrate Judge Salinas's factual and legal conclusions were correct and that Fisher's objections [994] do not have any merit. Further, the Court finds no clear error in the portions of the R&R not objected to. The Court therefore adopts as its Order the R&R [990]. Fisher's motion [905] to stay forfeiture pending appeal is DENIED.

IT IS SO ORDERED this 6th day of May, 2024.
